

Home Referral Process

Do you have a patient who can benefit from an iFES™ home therapy system?

Start The Referral Process Today

Restorative Therapies is the only iFES company to offer continuum of care solutions from hospital to in-home therapy, which allows patients to **maintain** and **build** functionality to avoid gaps, regression, or other complications after discharge.

Options to start & submit a patient referral:

1. Complete the "[Refer a patient online now](#)" form found on RTILink.com- located under the **FES @home** tab or
2. Complete the [contact us](#) form at restorative-therapies.com
 - Upload home referral documents to the "[Refer a patient online now](#)" form- located at the bottom of the form or
 - Fax or email home referral documents to your Inside Patient Advocate
 - 410-878-2466
 - referrals@restorative-therapies.com

Documents needed to complete patient referral:

1. Prescription
2. Letter of Medical Necessity
3. Facesheet
4. Order Form

What patients & clinicians can expect after submitting a referral:
